MULTIDISCIPLINARY DESIGNER

ARIF TARIQ.

SHREWSBURY / REMOTE 07598 078 923 HELLO@VISUALRIF.COM VISUALRIF.COM ↗

PROFILE

Independent multidisciplinary designer working across brand identity, UX/UI, web, print and 3D. I take projects from research and concept through to design and front-end build — managing clients directly, balancing commercial goals with craft, and delivering human-led work that is considered, usable and built to last.

§1 PROFESSIONAL EXPERIENCE

01
2026 – Present

UNIESTATE UK

UNIESTATE-UK.VERCEL.APP ↗

UX/UI DESIGNER & WEB DEVELOPER

Ongoing design and development of Uniestate's UK-facing property platform, presenting Playa Viva on Al Marjan Island, Ras Al Khaimah.

- Luxury property storytelling, location content and responsive, mobile-first layouts
- Property information architecture, events and news, and structured buyer enquiry journeys
- Front-end build and content management

HARD SKILLS
Figma — UX/UI & responsive design / React, Next.js & Tailwind CSS / Sanity & Vercel

SOFT SKILLS
Creative direction / Stakeholder collaboration / Project ownership & communication

02
2026 – Present

SWIFTROOMS

VISUALRIF.COM/PROJECTS/SWIFTROOMS ↗

FREELANCE UX/UI DESIGNER

Website transformation for a UAE interiors and fit-out business — from a Google Ads landing page to a wider redesign.

- UX strategy, sitemap and functional specifications for desktop and mobile
- Get Free Quote and Book Showroom enquiry flows with improved form design
- CMS architecture for ongoing content updates

HARD SKILLS
Figma — UX strategy & prototyping / React, Next.js & Tailwind CSS / Sanity & Vercel

SOFT SKILLS
Client collaboration / Technical planning / Analytical thinking

03
2026 – Present

INVESTINUK

VISUALRIF.COM/PROJECTS/INVESTINUK ↗

UX/UI DESIGNER & WEB DEVELOPER

Premium UK property investment platform designed to attract international investors, including those based in the UAE.

- Brand positioning, UX research and information architecture
- Responsive case studies and interactive property presentation
- Front-end build with CRM-integrated, concierge-style enquiry workflows

HARD SKILLS
Figma — UX/UI & design systems / React, Next.js & Tailwind CSS / Sanity, Vercel & CRM integration

SOFT SKILLS
